- Servicios:** Includes links for Campus Virtual de la UAB, Transparency of the teaching plan, consultation of timetables, password management, maintenance of personal data, petition of computer services, Sigma - Utilities, access to PDI/PAS webmail, and access to student email (e-campus).

This is a zoomed-in view of the 'Movilidad e intercambio' section from the previous screenshot. It shows the three items under this category:

- Solicitud y consulta de intercambio OUT (Estudiantes Salientes)
- Registro y solicitud de intercambio IN (Estudiantes Entrantes)** (this item is highlighted with a yellow box)
- Consulta tu solicitud de intercambio IN (Estudiantes Entrantes)

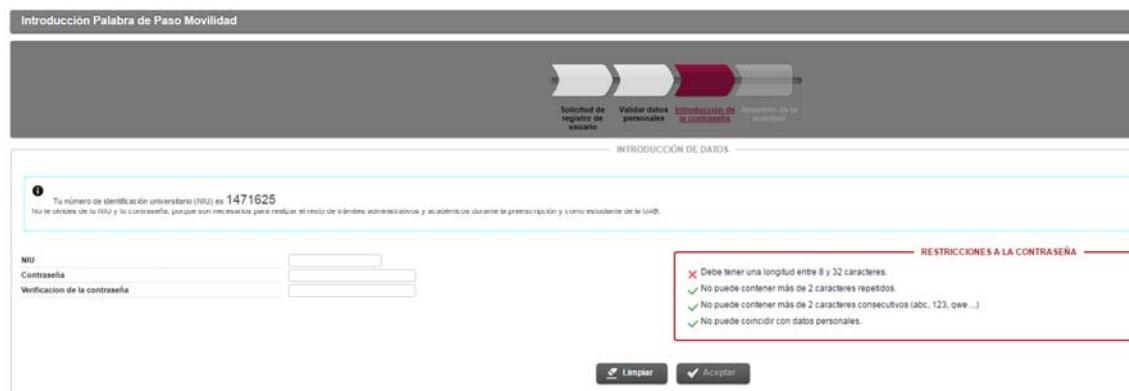

Durante el registro, al introducir los datos personales es **MUY IMPORTANTE** indicar el **número del documento de identidad del país de origen o el número de pasaporte en el caso de nacionalidades de fuera de la Unión Europea**. Ese dato **NO** puede modificarse luego en la solicitud.

The screenshot shows the 'Datos Identificativos' section of the registration form. It includes fields for NIU and Contraseña, and a dropdown menu for 'Tipo documento' where 'Documento de identidad en otros países' is selected. A note at the bottom states: 'Todos los datos personales solicitados son obligatorios, excepto el segundo apellido'.

También es importante introducir una dirección de electrónico que **NO** sea de **Hotmail** para evitar errores en el sistema y poder recibir la carta de invitación lo antes posible.

Una vez completado el registro, se obtendrá un número de usuario (NIA) y se deberá generar una contraseña. Es muy importante anotar o imprimir el NIA, ya que será necesario para todos los trámites que se realicen a partir de ese momento con la UAB.

The screenshot shows the 'Introducción de Datos' section of the registration form. It includes fields for NIU, Contraseña, and Verificación de la contraseña. A note at the top says: 'Tu número de identificación universitario (NIU) es 1471625'. On the right, there is a 'RESTRICCIONES A LA CONTRASEÑA' section with a red border containing validation rules:

- ✗ Debe tener una longitud entre 8 y 32 caracteres.
- ✓ No puede contener más de 2 caracteres repetidos.
- ✓ No puede contener más de 2 caracteres consecutivos (abc, 123, qwe ...)
- ✓ No puede coincidir con datos personales.

A continuación, deberá rellenarse la solicitud de intercambio introduciendo el NIA y la contraseña.

En el menú desplegable siguiente se deberá elegir “**Erasmus+**” como programa de intercambio.

El sistema reconocerá el NIA y mostrará los datos personales introducidos durante el registro. Deberán rellenarse el resto de datos personales y pasar a la siguiente pestaña.

La pestaña incluye un campo para añadir una **fotografía** en formato **jpg**. Se recomienda adjuntarla. De este modo, el estudiante tendrá preparado el carnet universitario a su llegada a la UAB y se evitará horas de espera. La fotografía debe cumplir los siguientes parámetros: 176 píxeles de ancho x 220 píxeles de alto y resolución de 300 ppp.

Una vez introducidos todos los datos del intercambio (universidad de origen, facultad de acogida, período de intercambio, etc.), pulsar **Grabar** para que la solicitud quede guardada.

Una vez completados el proceso de registro y solicitud, los datos de la solicitud serán cotejados con la nominación enviada por la universidad de origen. Si todo es correcto, el estudiante recibirá la carta de invitación unas semanas más tarde.

Las solicitudes podrán modificarse mientras el período permanezca abierto desde el enlace “**Consulta tu solicitud de intercambio IN (Estudiantes Entrantes)**”.
